Deployment & Tools	Git, GitHub, Streamlit, LLM Prompting, Machine Learning (Basics), API Integration
Soft Skills	Team Leadership, Problem Solving, Workflow Optimization, Agility, Adaptability

Work Experience

Smart Future Campus formerly DataCraft Academy · Remote, Munich 2024 – 2025

Data Analyst (Full-time Training, completed)

- Completed full-time bootcamp focusing on Python, SQL, Power BI, and Machine Learning.
- Developed data Classicing pipelines in Python (pandas) and created interactive dashboards in Power BI for KPI visualization.
- Worked with real datasets on projects involving ETL processes, data modeling, and exploratory data analysis.

Kink Bar & Restaurant Berlin 2020 – 2023

Senior Bartender

- Developed and structured an inventory tracking system for better planning of storage, production, and service.
- Analyzed service operations during peak hours, identified bottlenecks, and continuously adjusted processes and station setup.
- Organized and continuously optimized spatial resource distribution of bar, lab, and storage — adapted to usage patterns and changing operational requirements.
- Coordinated in real-time between bar, service, and dishwashing — prioritized resources and solved operational issues proactively.
- Co-responsible for "Restaurant Bar of the Year" and "Bar Team of the Year" (Mixology Awards 2023).

FREA Restaurant Berlin 2019

Head Bartender

- Built the bar structure from scratch — spatial organization of all work areas and establishment of an exclusively vegan supplier network for the backbar selection.

Monkey Bar Berlin 2017 – 2019

Chef de Rang (Bar)

- Responsible for mise en place, batch production, inventory control, and fresh goods logistics.
- Structured production and storage processes to ensure smooth service operations.

The Butcher / Hefner Bar / Santa María Eastside Berlin 2015 – 2017

Head Bartender / Bartender / Head Bartender

- Leadership positions in several renowned Berlin bar establishments; responsible for bar management, team leadership, and operational coordination.

Casa Negra Restaurant Bar London 06/2013 – 12/2014

Barback → Bartender
